

ALABASTER TABLE LAMP

The full beauty of natural alabaster is exuding from The Alabaster Table Lamp. The light, semi translucent rock has been carefully handcrafted to form the curved base of the lamp. Upon closer inspection the vertically carved 'v' grooves can be seen stemming from top to bottom and the full diameter of the lamp base. (Shade not included).

Dimensions

Height (not including shade): 305 mm

Width of base: 80 mm
